Why Cough

Ask your doctor if all coughs are necessary. If not, then why cough? Ask him about Ayer's Cherry Pectoral.

Stop coughing! Coughing rasps and tears. Stop it! Coughing prepares the throat and lungs for more trouble. Stop it! There is nothing so bad for a cough as coughing. Stop it! Ayer's Cherry Pectoral is a regular doctor's medicine for coughs and colds.

DEPENDABLE PROPRIETARY MEDICINES.

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for thirty years and today hold a record for thousands upon thousands of actual cures, as has Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.

PROHIBITION IN THE SOUTH.

The failure of Georgia passenger trains to make their schedules, which is causing much irritation, is due to the quantity of whisky carried by express, according to commercial travelers.

These men declare that every train out of Jacksonville and Chattanooga carries three express cars loaded to the roof with liquor for Georgia points.

"On a recent trip from Jacksonville to Macon," said one commercial traveler, "we lost nearly two hours delay in delivering liquor from the express cars at points along the line."

GO TO THE RESCUE.

Don't Wait Till It's Too Late—Follow the Example of a Maysville Citizen

Rescue the aching back.
If it keeps on aching, trouble comes. Backache is kidney ache. If you neglect the kidneys' warning, Look out for urinary trouble—diabetes. This Maysville citizen will show you how to go to the rescue.

M. C. Chisholm, 317 East Second street, Maysville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney secretions, this weakness being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Drugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where they have been used with good results."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all. For Weak Stomach, Bilioussness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

BE SURE OF GOOD CROPS!

The seeds we sell are the sure-to-grow kind. You are not taking chances when you plant them. You can feel from the time you put them into the ground that you are sure to win—that you'll have profit-yielding crops. There's no such thing as fail when

LANDRETH'S SEEDS

are planted. We are Landreth's distributing agents for this county. Seeds from this reliable seed house can always be depended upon to turn out just as represented because they are all fresh 1000 seeds grown especially for 1910 planting. They are the seeds to plant for early truck because they'll germinate quicker and mature earlier than any seeds you can buy. They cost no more than uncertain kinds. We know that if you plant our seeds this year you will next and for years to come. Your this year's crops will demonstrate to you that you cannot afford to plant any other kind of seeds.

ARBOR AND BIRD DAY

Its Observance Tomorrow by the Schools of the City

April 8th has been designated by Governor Willson as Arbor and Bird Day. This day will be quite generally observed over the State, for our people are well aware of the value in planting trees and protecting our birds.

Our schools will observe this day in appropriate manner by special program by the children, and by planting trees at some of the buildings.

Patrons are invited to these exercises at the High School Building in the Auditorium at 2 o'clock. A program of songs, recitations and speeches will be given, at the close of which several trees will be planted. Each room of the building will participate in this program and our friends are expected to lend their presence, thereby encouraging this movement for making our city more beautiful and our school grounds more attractive.
